St. Paul's Episcopal School Extra-Curricular Music Program Policies and Procedures

Thank you for your interest in the Extra-Curricular Music Program at SPS! I am excited about your child's interest in the arts and the opportunity we have to instruct him/her! Learning about music is both challenging and rewarding. It is our goal and desire at SPS to convey the elements of music in a thorough manner as to achieve an appreciation for and a master of specific skills in each course of study.

Parent participation, a student's positive attitude, and the student's cooperative spirit are essential for the best results. Musical study can sometimes be perplexing and intense but students and parents should always feel free to seek help from each instructor at any time during their study. Your child's private music lessons are taught by individual instructors with his or her own agenda, curriculum, and style of teaching. The amount of practice time varies according to the private instructor and each student is required to prepare at home for each lesson. Please encourage your child to practice adequately each week and prompt them at home to complete any additional work given to them by their instructor.

SPS Extra-Curricular Music Program will follow SPS school calendars for holidays and breaks. You will not be charged for private lessons that fall on a holiday or during a school break. Due to the number of students and limited lesson times, no credit will be issued for student absences due to field trips or school conflicts. If the private lesson instructor is informed of the school conflict 48 HOURS PRIOR to the conflict, every attempt will be made to schedule another private lesson. Students that miss lessons due to illness must contact the instructor no later than the morning of the scheduled lesson in order to qualify for a make-up lesson. Makeup lessons for absences due to illness are scheduled at the instructor's discretion only. Please communicate directly with your child's instructor regarding your child's absence. All of our instructors have set times that they are on campus but are eager to work with you. Thank you for your understanding in this matter.

<p><b><u>Private Music Lesson Tuition:</u></b> <i>(Includes a non-refundable registration fee \$25)</i> Fall Tuition - \$400 Winter/Spring Tuition - \$400 Summer Tuition - \$200</p>
